Cent-O-Gram and Dial-O-Gram Balances. Ohaus

Favorites in classrooms and industries worldwide, the Cent-O-Gram® balance offers high precision and remarkable value. The three-point base, special floating bearing principle and beam design eliminates the need for level adjustment. Zeroing is quickly achieved by means of a zero adjust knob at the end of the beam. With aluminum pressure castings for the base and beam assembly, agate bearings, steel knife-edges, and stainless steel pan (3.5" dia.), everything about the Cent-O-Gram and Dial-o-gram ensures a high standard of quality.
